# How do I get news & discounts from Pure?

INSIDE / AQIPA - 2025-09-25 - How to use the helpcenter

## You would like to know more about what Pure has to offer?

If you are interested to know more about our products, discounts and activities, the easiest way is of course to check out our website at pure-audio.com

If you would like to sign up to our newsletter you can do this by signing in to our newsletter here.

You can choose between the normal newsletter signup or participating in our feedback group that is regularly involved in product development

questions. In any case it would be great if you joined our growing community of newsletter subscribers to benefit most from Pure.
