How to add/delete favourite stations

Laura - 2021-10-19 - Using Pure Connect

Saving on your radio:
Use the ‘Search’ function or scroll to the station you want to add as a favourite. Once found you’ll notice you have an ‘Add’ button appear on the screen. Pressing this button will save the station to your favourites.

Saving on the Pure Connect App

You must be logged into the App. When you select a station that you want to listen to you will see a heart icon. Tap the heart icon on/off to add/remove the favourite station.
