How to add missing Internet Radio stations or Podcasts to the portal?

Customer Support - 2026-05-05 - Classic H4i

You would like to have an Internet Radio station or a Podcast added to the portal?

If you cannot find a station or podcast via the radio using the search, you can request that it be added to the portal by going to the website of our portal provider.

Portal provider's website.

Internet Radio and Podcast Portal
