How to convert an .MP2 DAB recording to another file format

Laura - 2024-10-09 - SD/ USB stick Recording/ Playback/ EPG

How do I convert my .MP2 DAB recordings to another file format?

There are many conversion applications you can use to convert your .MP2 DAB recordings to more popular formats like .MP3. We'd suggest doing a search on the internet and if you wanted to convert your recordings to MP3 (for example), search for 'MP2 to MP3' conversion. You will find many free applications that will do this for you.
