Siesta Mi DAB+ Upgrade / Unit ID Number

Customer Support - 2025-06-18 - DAB+ Radio

To find your unit ID number you need to:

1. Exit standby so that you see either **DIGITAL** or **FM** displayed in the top left side of the display.
2. Then follow the steps below which are as follows.
3. Press and hold **Menu** until you see the software version number on screen.
4. Press **Select** twice to display the device hardware ID
5. Press the scroll **<>** buttons to move the device hardware ID to the left and right.
