Classic Aura - Quick Help

Customer Support - 2026-05-05 - [Classic Aura](#)

Our most important tips for using your portable Classic Aura

1. **Before using the product**, always read the [Classic Aura quick start guide](#). You can find the quick start guide for Classic Aura in our [download centre](#).

1. **Before we get started**, here are a few important notes.

Make sure that the carrying strap is properly attached to the two pins on the sides of the device. Connect your Classic Aura to a power source using a USB power adapter (not included) to [fully charge the built-in battery](#).

1. **Turning Classic Aura on/off**

Press the on/off button to start your Classic Aura.

To turn off the Classic Aura, press and hold the on/off button (>2 seconds) until the device turns off.

1. **Selecting a source**

It's easy. Select the desired source by pressing the corresponding button on the top of the device. The available sources are aux input and Bluetooth. Press one of the corresponding buttons to select the desired source.

1. **Pairing a Bluetooth device**

Press and hold the 'Bluetooth' button until the Classic Aura enters pairing mode. Search for the Classic Aura on the device you want to pair it with and allow pairing.

Using the playback controls in BT mode

Tap the 'Play/Pause' button to pause playback or tap one of the 'Skip' buttons to skip forward/backward in BT mode.

1. **EQ modes**

Easily adjust the sound with multiple EQ modes, including 'Dynamic,'

“Comfort” and ‘Eco.’

The buttons on top of the speaker let you easily switch between modes to find the perfect audio setting for every moment.

1. Light modes (LED)

The Classic Aura offers 3 different light modes. These are Ambient light, Colour gradients and Dynamic effects. For more information, [follow this link](#).

1. Power bank

Your Classic Aura can also be used as a power bank. You can find more information [here](#).
