How to change FM stations on a Classic Stereo? Customer Support - 2025-01-27 - Classic Stereo

You would like to save and change your FM Stations on your Classic Stereo?

- 1. When you switch to FM mode for the first time, press the "**Home**" button to enter the menu.
- 2. Enter "Scan setting" and select "Yes" or "No" for "Strong stations only?".
- 3. Enter "**Audio setting**" to choose if you want to listen in Mono only, in case you experience **weak FM reception**.
- Use the "Skip forward/Skip back" buttons to manually step through the FM frequencies.
- 5. Long pressing the Skip buttons will start to seek stations quickly.
- 1. To access FM stations stored in the presets, short press the "**Preset list**" button on the radio while being in FM mode. This will open the "**Recall from Preset**" list.
- 2. Use the "Volume/Select" dial to move through the list of available stations.
- Once you've found the station of your choice, press the "Volume/Select" dial to switch to that station.

The **first 4 presets** can also be recalled using the preset button on your remote control.
