How can I pair a Bluetooth device with the Elan One²?

Customer Support - 2025-02-04 - [Elan Series - DAB+ Radios](#)

Would you like to pair your phone or another Bluetooth device to your Elan One²?

When you switch to Bluetooth mode for the first time by selecting Bluetooth as a source, the Elan One² will automatically enter pairing mode.

All you need to do is go to the Bluetooth settings on your device, find Elan One2 in the list, and select it to pair.

The next time you enter Bluetooth mode, Elan One² will automatically try to reconnect to the last connected device.

You're now connected via Bluetooth and ready to enjoy your music wirelessly with Elan One².
