How to change the source played on a Classic C-D6? Customer Support - 2024-10-15 - Classic C-D6

You would like to change the source that is playing on your Classic C-D6?

The available sources on the Classic C-D6 are DAB+, FM, Bluetooth, USB, CD and Aux In.

- To choose a source for playback, simply tap on the "Source" button of your Classic C-D6 to open the selection window.
- 2. Pressing the "**Source**" button repeatedly or turning the "**Select**" dial will cycle through the available sources.
- 3. To confirm your selection, press the "Select" dial.

The source will also change to the highlighted automatically after 2 seconds, if no other button is pressed.
