How do you change the source playing on the Bloom?

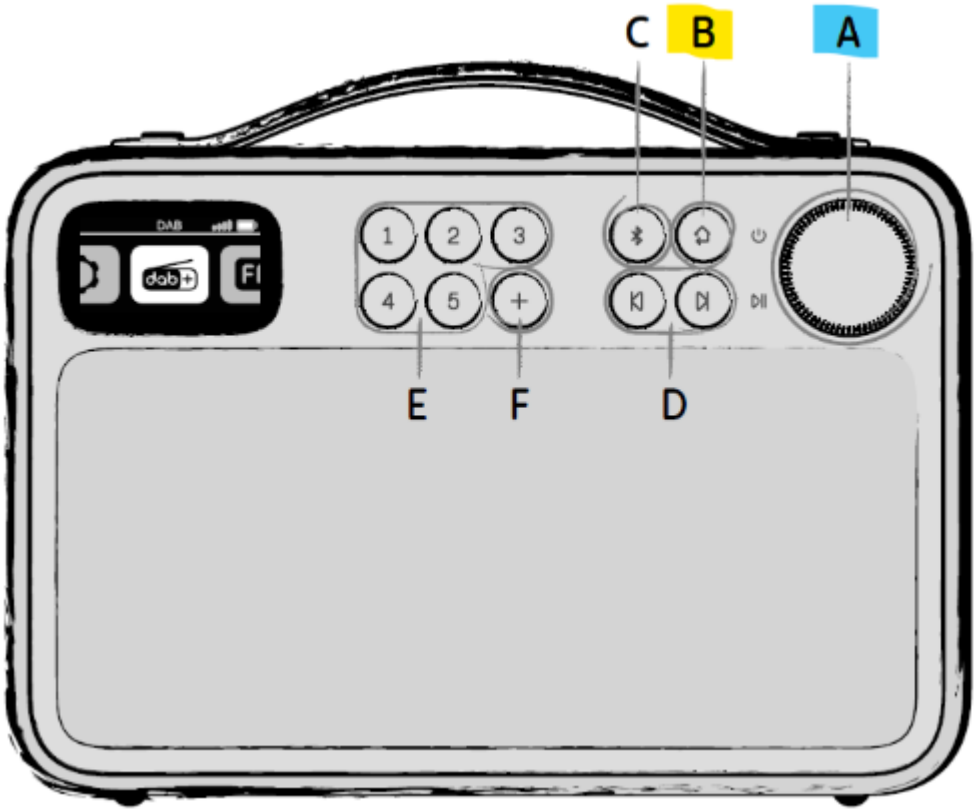

Customer Support - 2026-08-28 - Bloom

Would you like to change the source playing on your Bloom?

The available sources are **DAB+**, **FM** and **Bluetooth**.

1. To select a source for playback, simply tap the Menu button to open the selection window.
2. Turn the volume dial to cycle through the available sources.
3. To confirm your selection, press the dial.

The source will automatically switch to the highlighted option after 2 seconds if no other button is pressed.
