How to safe and recall presets on a Classic C-D6? Customer Support - 2024-11-11 - Classic C-D6

You would like to save a preset or recall a preset on your Classic C-D6?

The Classic C-D6 allows you to save up to **30** presets, both, for **DAB** and **FM**.

- To store a station to the preset list, long press the "Preset List" button until the
 "Preset Store" list opens. Turn the "Select" dial to choose the position within the
 list (1-30) and press the "Select " dial to confirm. The station listened to is now
 saved on the chosen preset.
- 2. This can also be done using your remote control. The remote control even offers **6 Quick Access** buttons, allowing you to save and recall presets 1-6.
- To recall a preset, short press the "Preset List" button (also available on your remote control), select the station you would like to listen to, and confirm by pressing the "Select" button.
- 4. Your remote control also offers Quick Access buttons to easily recall the first 6 presets stored.
