Organise your favourites or tags
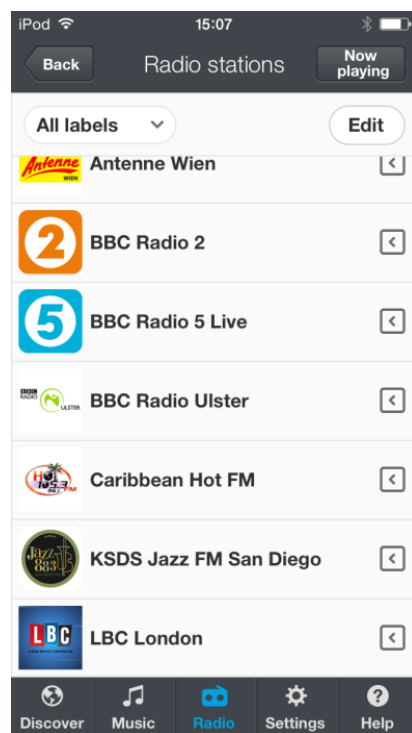

Laura - 2021-10-19 - Using Pure Connect

Labels are a way of grouping favourite stations together so they come under one label. Think of a label as a folder.
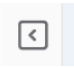

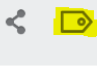

Download the Pure Connect app on to your Apple or Android device, which you can use to easily manage your favourites and add labels to group favourite stations together. Any changes you make on the App will be reflected on your Pure Internet radio.

Save content to an existing label

Apple

Log into the Pure Connect app on your mobile device. Save your content as a favourite. Tap 'Radio' and swipe until you reach 'Favourites'. Select one of the categories in your favourites, for example 'Radio stations' and you will see a list of all your favourite stations.

Tap the icon and now tap the icon highlighted in yellow. You will now get given a list of your created labels. Tap the label you want the content saved to. You will see a blue tick appear. This has now saved. Tap the cross in the top left corner to exit the page. You can now selcet all labels and see where you saved your content.
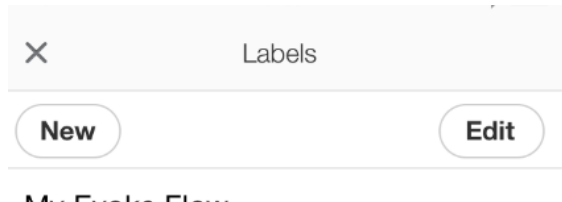

Android

Log into the Pure Connect app on your mobile device. Save your content as a favourite, select radio stations for

example. Press and hold the content you would like put into an existing label. You will now see this icon tap

this and you will be presented with your labels. Tap the label you would like to save the station to, you will see a blue tick to confirm your choice. Now select OK. You can now selcet all lables and see where you saved your content.**To create or edit a label**

Apple

Log into the Pure Connect app on your mobile device. Save your content as a favourite. Tap 'radio' and swipe until you reach 'favourites' Select radio stations for example and you will see a list of all your saved stations.

Tap the icon and now tap the icon (highlighted in yellow on the right) you will now see these options

Tap new, name your new label and then tap 'create'. You can now go ahead and save new content there. Selecting edit will allow you to delete a label.

Android

Log into the Pure Connect App on your mobile device. Save your content as a favourite. Tap 'Radio' and swipe until you reach 'favourites' Select radio stations for example and you will see a list of all your saved stations.

Press and hold the content you would like put into a new label. Tap the icon (highlighted in yellow on the right) and you will be given the option 'New Label'. Enter a name for the label and tap 'OK'. Your station has now been assigned a label and you can continue adding content to the playlist.
