How can I save or recall presets on a Classic H4? Customer Support - 2024-11-07 - Classic H4

You would like to save a preset or recall a preset on your Classic H4?

The Classic H4 allows you to safe up to **40 presets**, both, for **DAB** and **FM**.

- 1. You can either store a radio station currently listened to, to one of the four quick preset buttons, or add it to the preset list.
- Pressing one of the quick preset buttons until "Preset stored" appears, will save the station currently listened to. By short pressing the preset button, you can quickly recall it.
- To store a station to the preset list, long press the preset list button until the "Save to Preset" list opens.
- Turn the "Select" dial to choose the position within the list (1-40) and press the "Select " dial to confirm.
- 5. Choosing presets 1-4 will overwrite previously saved quick presets.
