How to save/recall presets on a Classic Stereo?

Customer Support - 2025-09-29 - Classic Stereo

You would like to save a preset or recall a preset on your Classic Stereo?

The Classic Stereo allows you to save up to **20** presets for **Internet Radio / Podcasts** (shared), for **DAB+** and **FM**.

1. To store a station to the preset list, long press the "**Preset list**" button until the "**Save to Preset**" list opens.

2. Turn the "**Volume/Select**" dial to choose the position within the list (1-20) and press the "**Volume/Select**" dial to confirm. The station listened to is now saved on the chosen preset.

3. This can also be done using your remote control. It also offers **4 Quick Access buttons**, allowing you to save and recall **presets 1-4**.

1. To recall a preset, short press the"**Preset list**" button (also available on your remote control), select the station you would like to listen to, and confirm by pressing the "**Volume/Select**" dial (or "**Select**"button on the remote).
