Password neu erstellen

David Lackner - 2025-11-19 - Online Store

On the home page, under Login/Register, click on ‘Forgot your password?’ and enter the email address associated with your account. We will send you an email immediately that you can use to reset your password. You can then change this to something else if you wish.

Please note that this is not possible if you place an order as a guest, as no account is created in this case.
