Where do I find spare parts for my product?

INSIDE / AQIPA - 2026-05-05 - Evoke Series - Modern Music Systems

You are looking for spare parts or accessories?

Accessories, as well as customer replaceable spare parts are available in our **web shop.**

Simply click on the link above and if you have the product name or number at hand that you are looking for, add this plus your search term e.g. “EVOKE antenna” or “Remote Control” etc.

You can also navigate to our spare parts section on the website:
