How to scan and select DAB stations on an Elan Move?

Customer Support - 2026-03-27 - Elan Move

You wish to search for DAB+ radio stations and select them on your Elan Move?

When powered on for the first time, the Elan Move will enter a DAB scan automatically.

All available stations are found and saved in the "**DAB list**".

To change the DAB station,

1. Pressing the “**Skip Forward**” (**>|**) or “**Skip Back**” (**<|**) button, will enter the “**DAB List**”.
2. Scroll through the station list by using the “**Skip Forward**” (**>|**) or “**Skip Back**” (<|) keys on the unit.
3. Press the “**Select**” (**Play/Pause button >||**) to confirm your selection.
4. The unit will automatically tune to the highlighted station after 2 seconds, if no button is pressed.

For a new scan simply press the "**Back**" (**Home**) button, select “**DAB-Scan**” and confirm by pressing the “**Select**“ button.
