What is the Pure Go application?

Laura - 2021-10-19 - [Highway 400/600](#)

Pure Go is the free companion app for Highway, available on iOS and Android stores. With the Pure Go app, on your Highway you can:

- Listen to music from streaming services such as Spotify
- Identify tracks playing on radio stations on Highway
- Trigger your mobile device personal assistant (e.g. Siri and Google Now).
